## Mt Seymour Facilities for Summer Rental

Host your next event, meeting, retreat, wedding or special occasion at Mt Seymour Resort this summer! During the non-winter season Mt Seymour Resort facilities are more readily available to groups and companies to rent. Whether you are in need of an indoor space for up to 200 people, access to a spectacular outdoor area featuring ample parking and paved space to extensive walking and hiking trails overlooking the magnificence of Vancouver, Mt Baker and Burrard Inlet, or both, Mt Seymour is your venue.

All facilities are located in the resort base area, easily accessible from anywhere in the lower mainland. A quick and easy 20 minute drive from the Mt Seymour Parkway Exit off Hwy 1, takes you away from the city and into an outdoor playground.

### Alpine Activity Centre

This facility features the new Earl Pletsch Meeting & Conference Room which can seat up to 80 people for a variety of functions from corporate meetings to small weddings.

### Three Peaks Lodge

This facility is located next to the Alpine Activity Centre and features two large spaces, Elevations seating up to 90 people and Grill Works, seating up to 200 people.

**The Enquist Yurt**  
This unique yurt structure, that can seat up to 50 people, is located just a short walk from the Alpine Activity Centre.
